THE EVENT AND EVALUATION

ACCEPTANCE

Vehicles must be presented for the technical and organizational the acceptance in working condition. The organizer has the right, in case of serious technical defects, to exclude the vehicle from participation. Throughout the complete event the crew consist of the persons registered in the starting list, any changes must be reported to the organizer for acceptance.

Upon receipt of the vehicle the following documents are to be presented:

- Driving license
- Proof of payment of compulsory insurance
- Vehicle registration certificate with a valid MOT
- Proof of payment of the fee

MARKING OF PARTICIPANTS:

Upon receipt each crew member will receive a Subscriber Identity label. This designation entitles to entry to areas reserved for the event. The designation also serves to establish entitlement to refreshments and meals. For the above reasons, it is necessary to carry the designation during the duration of the event.

MARKING OF VEHICLES:

Each vehicle has a starting number assigned by the organizer - two stick figures on both sides of the vehicle and plastic number on the front of the vehicle. The crew is required to ensure that the vehicle is correctly marked throughout the race. Unmarked vehicle will not be classified. Cars are starting in order by the starting numbers.

STAGE:

The Slovak part of the race is held as one stage event. The track is kept off the highways. It is performed at full traffic according to the itinerary, which will be distributed at the start.

PASSAGE CONTROL (marked as PK):

Parts of the race are checkpoints, or obligatory stops with dedicated arrival times on set individual points on the track. The PK's are located on the route marked by a blue flag and indicated in the itinerary. During the passage control, the driver must drive through and have the passing time confirmed. During the stage the starting time (Bratislava) and arrival time for lunch break (Piešťany) are fixed. Start after lunch (Piešťany) is again performed in order of the starting numbers in given times. There is a measured part of the stage at the Pezinská Baba hill. The rules and organization of this part of the track will be provided during the Thursday dinner. Start after the measured track is performed from the upper parking lot according the starting numbers at exact given time.

During the contest it is only allowed to use instant speed indicator (speedometer), which is part of the historic vehicles, experience, and intuition, both natural and supernatural abilities of the driver. We rely on sportsmanship and fair play, in the name of the participants do not use other than authorized equipment. On the track there are hidden checkpoints aimed to monitor compliance with the route according to the itinerary. For not passing a hidden checkpoint the crew will be disqualified. The complete timing for passing, leaving arriving will be distributed with the itinerary.

ANNOUNCED CATERGORIES OF THE SLOVAK LEG JUNE 15th.2018:
